I have been employed here since 2012, and have always participated in the Employee Giving. It is important to me.

What does gratitude mean to you? Does it play a role in why you give?

Giving back has always been part of my life. My parents did it and taught us to do the same.

Seeing my classmates and their families cared for here.

What's one fun fact others might not know about you?

When I had my tonsils out at Sisters Hospital a long time ago.
