**SUPPORTING PATIENT CARE AT DOMINICAN HOSPITAL**

**Dominican Hospital  
Foundation®**

A Dignity Health Member

**PRESENTED BY:**

# WELCOME

It is with great pleasure that we welcome you to the 2024 Dominican Hospital Foundation Gala.

For more than 83 years, we take great pride in our community hospital, and your continued support through philanthropy provides a direct positive impact on the health of our community. Your generosity ensures that Dominican Hospital can continue to provide high-quality health care services to patients and families for many generations to come.

This evening, we celebrate Dominican Hospital's Level III Neonatal Intensive Care Unit (NICU). Your participation will directly benefit our Level III Neonatal Intensive Care Unit (NICU), ensuring that our tiniest patients and their families receive the best care possible.

We express our gratitude to those who have contributed to making Dominican Hospital the extraordinary hospital it is today. As we look to the future, we are confident that we can continue to be a leading health care provider offering compassionate, patient-centered care for a wide range of medical needs. From emergency treatments to personalized birth experiences, surgical procedures, rehabilitation services, and educational programs, the hospital has consistently excelled in providing high-quality care.

We are truly grateful for your support of the Foundation and your belief in the mission of Dominican Hospital. Your continued support allows us to further invest in the health and well-being of this wonderful community.

With sincere gratitude,

## Fragile Beginnings

Of the nearly 800 babies born at Dominican Hospital each year, about 25 percent will need Neonatal care—that's 175–200 babies. The Dominican Hospital Level III Neonatal Intensive Care Unit (NICU) is more than a clinical unit in a hospital; it's a first “home” to newborns and a home away from home for parents.

**200** NICU patients

**14** Total NICU beds

**2** Isolation rooms

**805** Births average  
last two years

**46** % MediCal patients  
(Safety net of care for all within  
the community)

**7,152** Total NICU babies served  
since opening

**1 day  
to many  
months** Duration of specialized  
care in the NICU

### Infant Services

- Neonatologists, neonatal nurses and respiratory therapists available 24/7
- Support for feeding and breathing
- Lactation Education and Awareness
- Support from physical therapists, occupational therapists, nutritionists, speech therapists, and social workers
- Car seat safety check

### Family Services

- Welcoming Courtyard
- Prenatal, postnatal care
- Support Group programs
- NICU Family Room-in
- Connected Resources and gift cards for hotels, gas, food, baby items and blankets
- Our transport team is available 24 hours a day, seven days a week, to travel to hospitals throughout the region to pick up and stabilize infants needing the services of our intensive care unit.

# FUND-THE-NEED

Your contribution to the NICU will have a significant impact. With your support, we can enhance and expand the life-saving care to the tiniest patients we serve.

Please raise your bidder paddle tonight with levels of:

**\$10,000**

**\$5,000**

**\$2,500**

**\$1,000**

**\$500**

**\$250**

**\$100**

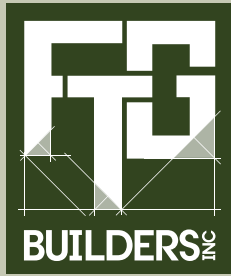

All donations are 100 percent tax-deductible and will be directed towards Dominican Hospital's Level III Neonatal Intensive Care Unit (NICU). We believe that everyone deserves access to health care, and Dominican Hospital aims to provide resources to as many individuals as possible. Thank you for your generosity and support.

Dr. Magdy Ismail is shown in the NICU with the thankful family of Marisol, Jennifer, and their baby Nico. Nico received a diagnosis and treatment for pulmonary hypertension for 10 days before safely going home.

“Dominican’s NICU provides families in the community with the opportunity to be close to their baby in their time of need. As an affiliated Stanford physician, I can leverage our network of partners to offer the highest quality care possible. I take great pride in being involved in the establishment of the NICU here at Dominican, and I hope that my dedication will inspire others to support our tiniest and most vulnerable patients through philanthropy.”

-Dr. Magdy Ismail, MD, Neonatologist
